

Notate the triad

G dim    A Aug    D7    C dim    Eb7    Ab7    F# dim    B7    E Aug    F dim    F7

- 1) Where indicated, write the triad or seventh chord on the bottom staff. Use root position.  
 2) Below the bottom staff, identify the chord: (e.g. F; Fm; F7; F dim7) Note the inversion using figures. (i.e. 6; 4; 5; 3; 2)

12    12    21  
 21    21    21

Using the figured bass symbols, 1) Above the top staff, identify the intended chords using commercial chord symbols; 2) On the middle staff, notate the remaining pitches of the triad on the middle staff and 3) On the top staff, write a melody in half notes using chord tones (pitches found in the intended chords) and observing the rules of second species counterpoint against the bassline. [For the purposes of counterpoint ignore the low C in the second measure]

31    31    31

#    7    2    6    6    6    4    7    (h)

\* #, or (h) in a figured bass refer to the third of the chord. Other symbols refer to chord inversions.
